VALVE, ACTUATION & ENGINEERED PRODUCTS

VALVE, ACTUATION & ENGINEERED PRODUCTS DIVISION

Lots of companies can sell you a product—if you know what you need and when you'll need it. Centro is the only flow control specialist with the expertise and 24/7 commitment to keep you going—whatever it takes. We combine industry-leading brands of valves, steam products, automation & instrumentation, pumps & seals, compressors and process filtration to create flow solutions to meet your specific challenges. Whether you want to reduce MRO costs, enhance your product quality, lower energy costs or improve productivity, call us for a solution—on time and on plan. The best solutions always flow right through us.
