

VFD Data Sheet

First Name _____

Company _____

Address _____

City/State/Zip _____

Work Phone _____ Cell Phone _____

Email _____

1. What is the rated horsepower of the motor?

_____ HP

2. What is the rated Speed of the Motor?

_____ RPM

3. What is the Line Voltage?

- 480 V
- 230 V
- 208 V

4. What is the application?

- Conveyor
- Centrifugal Pump
- Positive Displacement
- Fan

VFD Data Sheet

5. Required NEMA type enclosure:

- NEMA 1
- NEMA 3R
- NEMA 4
- NEMA 12

6. How is the sequence (Run/Stop Controlled)?

- Terminals
- Communication
- Keypad

7. How is the reference speed set?

- Terminals
- Communication
- Keypad

8. Does the application require lock out, tag out?

- Yes
- No

9. Does the application require short circuit protection?

- Yes
- No

10. Does the application require communications?

- Ethernet/IP
- BACnet
- Ethernet Modbus
- Serial Modbus
- No
