PROCESS EQUIPMENT & SANITARY

The Centro Process Equipment and Sanitary division is focused on industries where heat transfer, fluid mixing, and fluid transfer can have a significant impact on manufacturing efficiency and product quality.

In Process Industries as diverse as Food & Beverage, Personal Care, Pharmaceutical, Mining, Chemical Manufacturing, Pulp & Paper, Industrial Waste Water, and Oil Refining the products and solutions of the Centro **Process Equipment & Sanitary** Division can have a direct positive impact on product quality and customer productivity.

HEAT EXCHANGER APPLICATIONS

By matching thermal technology, mechanical design and system operating characteristics, production can be improved while reducing production costs and waste.

MIXING APPLICATIONS

Mixers for industrial & waste water applications, plus full service repairs for all brands of mixers.

THERMAL FLUID APPLICATIONS (HOT OIL)

Partnering with customers to find opportunities for improvement within the context of thermal fluid systems.

PUMP APPLICATIONS

Integrating best-in-class pump technology products to meet our customers' fluid transfer objectives.

TANK CLEANING APPLICATIONS

By matching cleaning technology and the system operating characteristics, production can be improved while reducing production costs and waste.

SANITARY VALVING & ACCESSORIES APPLICATIONS

Centro can reduce your downtime, improve process reliability, and optimize your manufacturing output by matching the right valve to your application.

APPLICATIONS & ENGINEERING SUPPORT

Our experts provide detailed sales and engineering assistance to the process industries by representing high-quality technology leading manufacturers.

PROCESS EQUIPMENT & SANITARY

ALFA LAVAL / GAMAJET

Engineered tank cleaning equipment

ALFA LAVAL / TRI-CLOVER

Sanitary valves, fittings, pumps, heat exchangers

BRAN+LUEBBE / SPX FLOW

Metering pumps

DICKOW PUMP COMPANY

Magnetically driven centrifugal pumps

FULTON

Thermal fluid heater systems

HEAT EXCHANGER GROUP

Plate and frame heat exchangers

HEXONIC

Welded and brazed heat exchangers

LIGHTNIN / SPX FLOW

Industrial and wastewater mixers

METALFORMS

High performance shell & tube heat exchangers

PHILADELPHIA / SPX FLOW

Industrial and waste water mixers

SCOTT MIXERS

High shear mixers and pumping systems

SLACK & PARR

High pressure gear metering pumps

WAUKESHA CHERRY-BURRELL / SPX

PD pumps for high viscosity and/or shear sensitive fluids

WAYLAND INDUSTRIES

Stainless steel sanitary fittings, valves, and tubing

Our mission is to be regarded by our customers and community as the best supplier of automation and control product solutions to industry.
